Subject:

**Notice of Arizona Commission Decision for
Transport and Port Cost Docket Phase II and IIA**

Summary of Change:

The Arizona Commission issued its Opinion and Order (Decision No. 66385 Phase II and IIA) in its recent wholesale cost docket proceedings. Qwest will soon be submitting its compliance filing regarding the rates impacted by these Decisions on October 6, 2003.

The purpose of this notice is to provide you with information regarding Qwest's implementation timeline for the rates contained in these dockets. The rates addressed by the Commission in these phases of the wholesale cost proceedings are effective as of June 12, 2002 and October 6, 2003 for rates associated with Phase II and Phase IIA of the Order.

Qwest is currently in the process of performing the activities necessary to implement the new rates as ordered by the Commission for both phases. Under the current schedule, Qwest anticipates completing updates to your interconnection agreement rate sheets by December. A separate notification that includes an updated rate sheet will be sent in the near future. You should begin to see the rates being reflected on your monthly bills by the first part of January. This will include credits for most applicable billing elements back to the effective dates and adjustments as a result of any applicable billing true-up. Qwest will provide you with regular updates as the implementation process progresses. If you have any questions, please contact your Service Manager.

You are encouraged to provide feedback to this notice through our web site. We provide an easy to use feedback form at <http://www.qwest.com/wholesale/feedback.html>. A Qwest representative will contact you shortly to discuss your suggestion.

Sincerely,

Qwest
